Re: ***Christopher J. Galuardi v. UNUMProvident***
Civil Action No. L 01 3874

Dear Judge Motz:

This is the status report on the above-referenced matter which has been stayed in order to permit an independent medical examination to be conducted.

Paul Revere received the report of the independent medical examination yesterday. It is expected that the reviews of this report be completed by December 5, 2002 and that we will be able to provide you with a report on the result of the examination and propose further course of this case by December 6, 2002.

We respectfully request a further extension for that purpose until December 6, 2002. Ms. Kohler has authorized me to say that she concurs with this request.

Very truly yours,

J. Snowden Stanley, Jr.,
